Welcome to the 2019 Stanton Drew Flower show.

What's On at this year's Show

A fantastic community Fun Day for all the family, and at it's heart is still a delightful traditional English flower show.

Paintings, drawings, cakes, jams, photographs, home-made toys, arts & crafts, cars and motor bikes will be on display. There will be games, sweets and a drinks stall, and treasure hunt trail for the children, and new this year a bouncy castle and a Pygmy goats corner in the paddock. In the centre will be the 'Food Court' and the Rotary Marquee which will house various stalls including jewellery, crafts, plants, and demonstrations, and new this year, the chance to create your own unique pottery, decorated, imprinted and painted as you like with "A Maze in Glaze"

Musical entertainment from Ross Kirk in the paddock will continue in the evening 'till late at The Druids Arms.

From 2:00pm to 4pm the Church tower will be open. You can take a tour into the ringing and clock chambers, with a final climb to see the bells in the belfry. The Church also houses displays of arts and crafts, photographs, and children's entries. Don't miss Wendy's garden on your way back.

If you want a break from all the excitement, then relax in the Village Hall Tea Room and let the Ladies of the WI , who are celebrating their Centenary, tempt you with delicious homemade cakes and proper tea served in china cups. The Stanton Drew Community Choir will also be singing for you at around 3:25pm

Also in the tea room will be the Village Business Links table, displaying advertisements from anyone who would like to bring flyers, business cards or promotions for their village based business. Feel free to promote your business, and please support the others whenever you can.

This programme should provide you with all the information you need to enter the show, (**see page 14**). The middle pages can be removed and used / copied for the children's colouring entries (classes 63 & 68). There are two entry forms and rules under the middle pages for you to tear out. The Schedule of all the classes can also be detached from the centre. All can be photocopied to give to friends or family. This programme (in colour) can be found and downloaded on www.stantondrew.org

A very big thank you to all the businesses that have generously sponsored this year's Flower Show - Advert Page Numbers.

Tips for a Good Exhibit by Mary Payne MBE and Sue Elsbury.

Easter was hot and sunny and then the temperatures plummeted again – not an easy season for gardeners. The only thing we can guarantee is that the weeds will grow whatever the weather. So when it comes to exhibiting, remember everybody else has the same problems and it's the entering that makes a good show, not the winning!

Please read this schedule carefully and note the wording of classes. In the flower, fruit and vegetable classes check that you have the correct number of stems or fruits and the correct sized flower pot for the petunia plug class. In the vegetable classes the judges are looking for uniformity e.g. the same size potatoes or beans. It is quite acceptable to carefully pull off damaged petals or leaves.

We have included a new class (no.33) for a photograph of your garden or allotment and this will be judged purely on gardening merit not photographic skill. Instead of the usual scarecrow challenge we are asking for a 2 metre length of bunting which carries a first prize of £25 so get snipping.

We always try to be topical so this year we would love to see a plate of Brexit Biscuits. Your imagination can run wild with this one! The Homemade alcoholic drink class certainly tests our cookery judge who completes her task in a merry mood!

We all love to see the entries by the children so do encourage your offspring to enter a miniature garden or decorated fairy cakes and the vegetable / fruit animals always show amazing imagination.

For those entering classes to be exhibited in the church please enter on Friday 6-8pm.

It is preferred that photos are no larger than A4 in size. It is difficult for us to display photographs in a frame or under glass, a cardboard mount is perfectly acceptable. However paintings and drawings can be displayed in any way you choose. Craft items are always interesting as they present a wide variety of techniques. If you have used an unusual method or materials or have had interesting inspiration then a small note on this always makes fascinating reading and can bring an item to life for the viewer.

Chloe Clinton's prize winning Miniature Garden

What to do on the day of the show and on Friday evening before.

If you plan to exhibit, here's the procedure.

Complete one of the entry forms printed in the middle of the programme, following the instructions given. Please use one form per person. If you need more, either photocopy the form or print it out from the website www.stantondrew.org where a special link has been added.

Please print your name clearly on the form in the way you would like it to appear on any certificates that you may win.

You can enter exhibits in as many of the classes as you like, limited to three entries per class. You can only win one certificate per class.

If you plan to enter any exhibits in Classes 60 or above, they will be displayed in the Church. In order to get them displayed to best effect please bring them to the Church between 6pm and 8pm the evening before, with your completed entry form. You will then get your entry number to use when making marquee entries on the Saturday. (Church entries will still be accepted on Saturday in the paddock if essential)

All remaining classes should be brought to the main flower marquee in the village hall paddock on Saturday from 8:00 am. At registration you will be given one display label for each exhibit, with your own entry number and name on it. At the booking in table you will be assisted, if necessary, to write the class number of the exhibit on the ticket. Your name will be hidden until after judging. You will then be told where your entries have to be displayed. It is your responsibility to place them. Ask a steward if you need any assistance.

Please be in time to get all exhibits in place by 10:30 Including those in the Church so that judging can begin promptly.

Once you have placed your exhibit please leave, until **the show opens at 2pm**. If you have children who have done some work at the school, it will have been entered for them in the school categories, a few days before. Please encourage your children to enter more exhibits on the day. When they bring those extra exhibits to registration, please let the registration clerks know that your child will already have been assigned an exhibitor's number, through their school entry.

If you own, or run a business which operates from the village then please bring any promotional material / flyers and leave them (considerately) on display for all to see, on the Village businesses promotion table in the Village hall from late morning onward.

At 2pm the Flower Show opens, judging should be complete and class winners certificates displayed. The category winner's prize presentation and the final Best in Show Cup presentation will take place towards the end of the show. The show closes at 5pm after which it will be appreciated if you could collect your exhibits. Have a wonderful day and Good Luck.

Are you planning to take any photos at this year's
Flower Show?

If you do, and you think they'd look good in the
pages of next year's programme (probably in
greyscale) then please email them to -
flowershow@stantondrew.org

Thank you from the Flower Show Committee

We are very grateful for the support of the local businesses that sponsor us by advertising in our programme. Please help keep the village alive and support them whenever you can.

The Chelwood Rotary Club help us every year, doing a brilliant job erecting marquees, manning the gates, car parking and staging the renowned Sunday morning Big Breakfast.

Thank you to our Judges who are experts in their respective fields and kindly give us their time. We also appreciate being able to use St. Mary the Virgin Church which makes a peaceful setting for the photography and craft exhibitions.

There are so many, much appreciated, volunteers who give their time to help prepare and run the day, and those who donate gifts for the tombola and homemade cakes for the tea room.

And..... Of course To all the exhibitors who make the show a great success for all of us.

We would like to hear from anyone with comments or suggestions, and especially those who would like to join the flower show committee and help shape future shows. Please get in touch with any of the committee or email us on .
