A very warm welcome to the 2023 Stanton Drew Flower Show & Fete

There is lots to see and do for everyone, so enjoy your afternoon and have a fun ! Our main marquee holding the class exhibits of flowers, crafts, preserves, wonkey veg, and all the other delights, has been very generously **sponsored by the Kelston Sparkes Group.**

This year we have extended our children's entertainment area with lots of games, crafts, the very popular and friendly goats, and some **very special guests for the children!**

Enjoy refreshments of tea and delicious cakes supplied by the local W.I. team in the village hall, and drinks from the Cattleshed mobile bar in the paddock and burgers expertly served up by our resident chefs, Rob and John!

Whilst in the hall, have a look at The Village Business Links table which is available for anyone wishing to display business cards and promotional items for their locally based business.

Back outside there are displays of tractors, vintage cars and motorbikes, and for shoppers, lots of interesting stalls offering a variety of excellent quality goods. Entertainment from the Twerzels is once again very kindly **sponsored by Joanna Tiley Estate Agents**, so feel free to join in the dancing and singing!

Please encourage your children to enter the classes and to continue this lovely village tradition, we all like to see the youngsters getting involved! Mums and Dads are very welcome to offer their help too, please get in touch if you are interested in joining our team.

The success of the show depends on our very generous sponsors, please do try and support them whenever you can. And also on the enthusiastic support of our teams of helpers, exhibitors, and visitors alike. We are very grateful for all your support, and hope you will have a grand day out at the 18th Stanton Drew Flower Show and Fete.

The fun will continue in the marquee in the evening at the barn dance with the Jiggerty dance band and a professional caller. Tickets are available £5 or £10 for families from the Village Hall committee, or online at www.stantondrewvillagehall.co.uk

SCAN for
Barn dance tickets

This programme should provide you with all the information you need to enter the show, **(see page 16)**. The Childrens colouring page is in the centre for detachment. There are also two entry forms and rules on the middle pages for you to remove. And the Schedule of all the classes can also be detached from the centre. All can be photocopied to give to friends or family. This programme (in colour) can be found and downloaded at www.stantondrew.org

**The Flower Show committee would like to thank
 Joanna Tiley for their help advertising the show and
 sponsorship of the Twerzels and the
 Kelston Sparkes Group for their generous sponsorship
 of the main marquee.**

**Here are all the local businesses who have sponsored the show.
 Please look at their adverts and support them whenever you can.
 Thanks to our official photographer David Wall for the photographs.**

Stanton Drew Flower Show
2rd September, 2023
If you grow it, show it.

Tips for exhibitors from Mary Payne M.B.E.

Read the schedule and rules carefully. Note the start and finishing times for staging your exhibit.

Some garden produce is best picked fresh on the morning of the show.

Give yourself enough time to stage your exhibits and check you have entered the correct number of specimens in each class. Our judges are very lenient and have been known to eat a pea pod or raspberry if too many were exhibited!

Make your exhibit look as attractive as possible to catch the judge's eye. Paper plates are very acceptable.

Take spares along in case of last-minute disasters.

Try to select specimens without blemishes. It is OK to pull off the odd damaged petal, but not too many!

When more than one flower / fruit or vegetable is asked for in an exhibit try to select for uniformity. Of shape and size.

Potatoes should be washed but avoid scrubbing which can damage the skin. Don't over peel onions / shallots.

Tomatoes should be ripe, but firm and with the calyx attached.

Raspberries should have the stalks attached.

Don't be put off when staging your exhibit by the arrival of someone with larger potatoes or beans than yours – the biggest is not always best!!

Jams, jellies, chutneys, and pickles must be in glass jars.

Parents – please encourage your youngsters to enter.

The more folk who enter, the better the spectacle for all who visit the show, and it is the taking part rather than winning that is so important in a village show.

Good luck

Top tips for Class 52 - How to grow a cress egg head's hair.

Soft boil an egg and cut off the top and enjoy with “toast soldiers”! Discard the top piece of shell.

Carefully wash the shell and when dry use your imagination to decorate the shell with a face or whatever you fancy using pencils, crayon, coloured stickers, or paint etc. This can be done later, once you see what the egg head’s “hair” looks like.

Roughly half fill the shell with some damp soil or potting compost. A moistened cotton wool ball works very well.

Sprinkle a generous layer of seeds -cress, mustard, grass seed or whatever you like onto the moist compost / cotton wool . Stand in an egg cup on a windowsill in plenty of light. Keep it moist and watch your egg head’s hair grow.

After as little as 24 hours you will see that the seeds (cress) have germinated, and tiny white roots are visible. A day later and tiny green seed leaves have merged. Cress and mustard will take about 7 -10 days, grass seed will take longer.

Do a trail run to get the timing right for the show on Saturday 2nd September.

Present your decorated egg head in an egg cup of your choice on flower show day. After the show hard boil another egg and use your cress or mustard to make a sandwich (other seeds may not be edible!)

What shall we sing now ?

Do you require Cooling or Heating for your Business or Home?

Air Conditioning could be the Solution!

Do you have existing Air Conditioning units that need repairing or servicing?

Refrigeration & Ventilation also undertaken!

Mobile vehicle AC re-gasing also offered.

Guidance for photography exhibitors.

Avoid displaying creased photos, they just do not look good, Photos can be displayed with a card frame or border if desired, but nothing too big, or heavy that may make them difficult to display on the day.

Display images that have been taken in the last 5 years. Your honesty is presumed.

Display images taken by exhibitor. If you have photos taken by a friend or relative, then credit them on the display.

Do not enter previously entered photos.

Black and white photos are also very welcome.

Additional information about the entry, or any unusual camera settings are welcome as they can increase interest.

Stanton Drew W.I. Needs your Help

Members of Stanton Drew hope that you will join them for tea, coffee and, of course cake, at the annual flower show. We are proud that we have been an integral part of village life for over 100 years. Take a moment to look at the beautiful embroidery to commemorate our 100th birthday, in the village hall. A testament to the talent we have here in Stanton Drew. We are so much more than Jam and Jerusalem ! **Sadly**, this might be the last time we will be able to offer this service to the Flower show Committee. We are struggling to find members to take on some officer roles, without whom we cannot continue in the future.

We have a healthy membership of over 30, who regularly enjoy visiting speakers, outings and meals out, and learning new skills. Regular group activities include walking, craft, darts and skittles. We also join members from other WIs in a huge variety of opportunities further afield. [Check out Stanton Drew WI on Facebook](#) for further information on our activities. If you think that you might have the enthusiasm to lead and guide us into the next 100 years please contact me at stantondrewwi@gmail.com or speak to a member of the committee. Thank you.

Anni

What to do on the day of the show.

If you plan to exhibit, here's the procedure.

Complete one of the entry forms printed in the middle of the programme, ideally before you arrive, following the instructions given. Please use one form per person. If you need more, either photocopy the form or print it out from the website www.stantondrew.org where a special link has been added.

Please print your name clearly on the form in the way you would like it to appear on any certificates that you may win.

You can enter exhibits in as many of the classes as you like, limited to three entries per class. You can only win one certificate per class.

Please make yourself aware of the class number associated with each of your exhibits. You will have to write that number on your display ticket later.

All exhibits should be brought to the main flower marquee in the village hall paddock on Saturday from 8:00 am . At registration you will be given one display ticket for each of your exhibits. The ticket will have your name and exhibitor number on it..

You will then be asked to move onto the stewards tables where you will be assisted, if necessary, to write the class number of the exhibit on the ticket. Your name will be folded under to be hidden until after judging.

You will then be told where your entries have to be displayed. It is your responsibility to place them in the correct place, but do ask a steward if you need any assistance.

Please be in time to get all your exhibits in place by 10:30 so that judging can begin promptly. Please then leave until the show opens.

.At 1:30pm the Flower Show opens, judging should be complete and class winners certificates displayed. The category winner's prize presentation and the final Best in Show Cup presentation will take place at around 3:45pm.. After that has finished at around 4pm you may remove your exhibits. The show closes at 4:30pm and from 5pm any remaining exhibits will be disposed of, or eaten ! Have a wonderful day and Good Luck.

Stanton Drew Flower Show Schedule of Classes. For Saturday 2nd September 2023

Here is the schedule of classes for this year's show. Anyone can enter a maximum of 3 entries per person per class. 1st, 2nd, and 3rd certificates are awarded for all classes. Those with the maximum number of points in each category win one of the cups.

Finally, broadband you can truly rely on

We're building our very own full-fibre network, providing the area with access to the fastest, most reliable broadband technology in the UK.

So, whether you work from home, play games online, or simply want to check your bank balance without interruption, our broadband will provide you with a connection you can rely on even at peak times.

To find out if we're already in your area visit truespeed.com

 **TRUESPEED**
Truly better broadband

Have a rest in the Village Hall Tea Rooms.
 Teas, Coffee, and Cakes of the highest quality along
 with soft drinks, will be served by the ladies of
The Stanton Drew Women's Institute.
